

UNION 10 FC

Union 10 FC was created as a partnership between the Gulf Coast Rangers Football Club (GCRFC) and Mobile United Football Club (MUFC) to provide youth soccer players, in the area, a higher level of competitive play with more regional and national playing opportunities.

As this partnership has developed GCRFC and MUFC have become Union 10 FC Baldwin County and Union 10 FC Mobile. This will allow players to move within the Union 10 umbrella as their development progresses.

UNION 10 FC BALDWIN COUNTY

Formerly referred to as Gulf Coast Rangers FC, Union 10 FC Baldwin County is a 501(c)(3) located in Daphne, Alabama, that operates for the benefit of youth looking to play, adults continuing in the game, families supporting their players, and individuals/businesses interested in partnering for club programs and facilities. Our programs run year round for all ages and stages, and fosters a culture of respect, integrity, and servant leadership.

BALDWIN COUNTY

Every year our club players are issued a training jersey as required attire for all training sessions and during game warm-ups. These are worn by our coaches and sold in concessions to the general public. We adorn this shirt with the names and logos of our season sponsors. Your sponsorship helps keep our soccer programs in the community by offsetting costs involved with family scholarships, training fees to coaches, facility rental, equipment and administrative fees. Your support will garner name recognition locally and in our travels from our training jerseys.

Sponsorship options also include your logo on field signage for local games, placement on our website, as well as a post on our social media channels, Facebook and Instagram, featuring your business and recognition for your support of our club.

We would like to partner for continued success and development of our area into a top soccer environment.
